- Div. 1 and Div. 2 Fun Days were a blast! (Awesome to have them at the start of the year!)
- Room 127 and 115 (Grade 6) are currently taking part in the Height Olympics! Students are split into three teams based on their height, and will take part in various challenges throughout the month of September.

Students earn points for winning PE games, demonstrating good sportsmanship and helping set up/clean up the gym.

- Room 127 has also set up a 'Community Wall' where students can bring or send in photos of things that they want to share with the class (family, sports teams, pictures with friends).

We are hoping to have it completely filled by the end of the year! (Room 119 will copy this awesome idea!)

- CHAIRPERSONS REPORT:

- I just want to start by saying a really big thank you to everyone who has been part of this group over the years.
- Especially to our **core group** — the people who consistently showed up, helped out, answered messages, took things on, and were willing to jump in when something needed to get done.
- Last year was a bit of a new beginning for our Board, with a fairly new group coming together and I really appreciated everyone's **commitment, collaboration and support** as we figured things out and found our rhythm.

**I wanted to celebrate some of our successes from the last year:**

- Our **Purdy's fundraiser** got us off to a great start with some really strong sales.
- We also had our **Casino**, which was a huge undertaking and a great success. A big thank you to everyone who volunteered, and especially those who recruited family and friends to come out and help us make it happen!
- We held our **first Family Dance**, and despite the *-35° temperatures*, we had an incredible turnout of around **200 people**! It was so great to see so many families come out and enjoy the evening together.
- And, of course, we had **so many hot lunches throughout the year**, which brought a huge number of parents through the school volunteering. It was fantastic to see so many people willing to give their time and help make those days run smoothly.
- Hopefully we can continue to grow our group and get more parents involved along the way.
- Whether you've been at every meeting, volunteered at an event, helped behind the scenes, or just supported what we're doing — **it all matters, and it's appreciated**

I'm looking forward to another good year together.
